

Our Terms & Conditions

Your monthly membership will leave your account by Direct Debit at the elected date. You must give 10 days notice to downgrade your tariff and one month's notice to cancel your membership, after your minimum contract has expired.

To upgrade your tariff you can pay the difference in cash at reception and your direct debit amount will change from your next bill date. All Direct Debits are managed by Ashbourne Management who can be contacted on 08712712088 to discuss any issues with payments. Any requests for changes to membership should be given in writing via email to gauntletfightacademy@gmail.com. Any notices given at reception should be followed by an email for the avoidance of doubt.

There is a £25 joining fee per direct debit instruction, which is payable in cash at the beginning of your membership. Your first month's membership will also be due in cash when you sign up along with your joining fee, and the first direct debit payment will leave your account the following month.

Membership fees are fixed and are not negotiable, unless otherwise stated in a joining offer, but we do offer a 10% discount for families (two children or adult and child) with an additional 5% for a third person.

If you cannot train for health reasons, or due to injury, you may freeze your membership without charge, which can be arranged by contacting reception or by the above email address. If you are going away for a prolonged period, you can freeze your membership with one month's notice, however the joining fee of £25 will apply when you return as your membership will have lapsed for the period of your absence. For children's memberships, if classes are suspended over the school holidays (summer time) then your membership will be frozen without charge, however, if classes are available, your direct debit will continue as usual.

We retain the right to terminate membership if you do not abide by the rules of engagement and standards of discipline and respect upheld by the academy.

If you have any questions, please contact us in person at reception or via email at gauntletfightacademy@gmail.com
